

How to share a video in Blackboard

Step 1

Go to My Videos, find the file you want the link for. For example the one the red arrow points to.

My Videos

View Edit My Files My Videos Playlists

New Sorting and More

We have added new features including folder sorting. This will change the way the items are sorted on these pages, but your shared folder pages are unchanged and still sorted by title.

Step 3

Scroll down to the bottom of the page, you'll see "Links & Embed". Select and copy your link.

If you need to regenerate the URL, Select "Regenerate Secret Key for Protected video". Your old URL will then become invalid.

Links & Embed

Share Link

<http://www.3cm mediasolutions.org/privid/37?key=8fa78a8fa43fd1eb542cda0e6ca43722>

[Regenerate secret key for protected video](#)

Embed Code

640 x 360

Use HTTPS

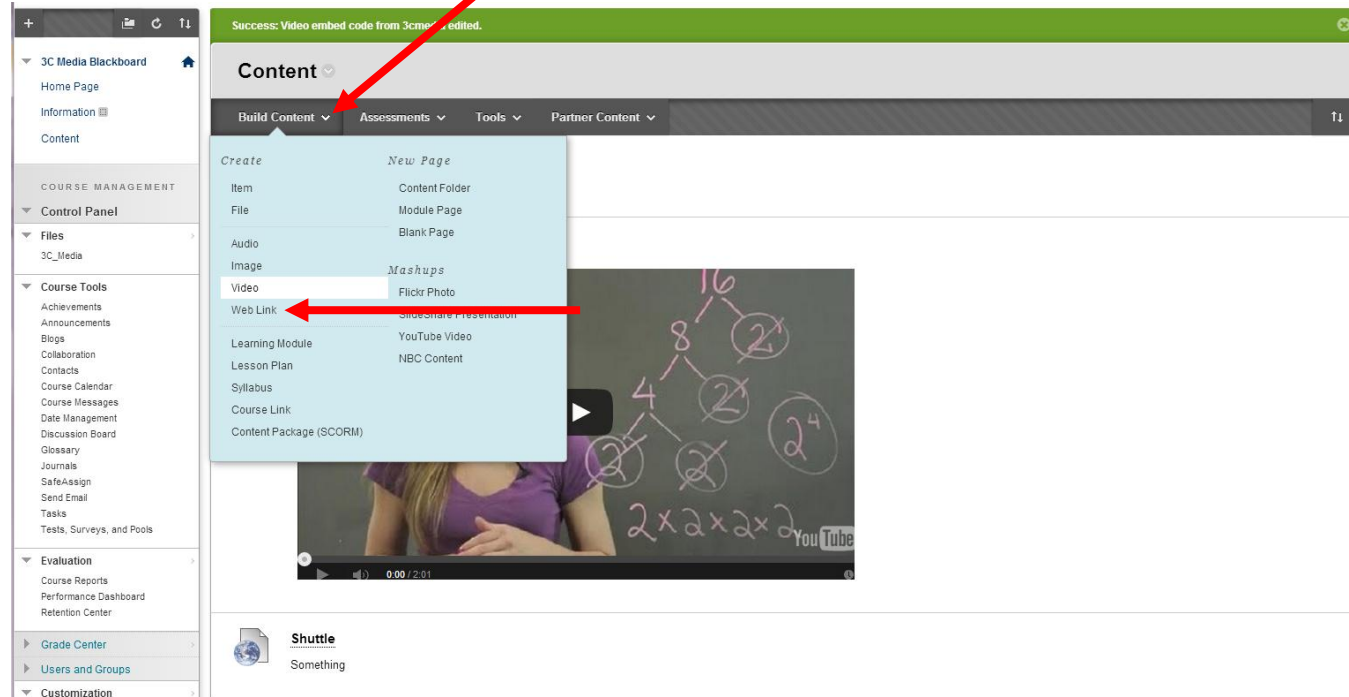

```
<iframe src="http://www.3cm mediasolutions.org/privid/37?embed=&key=8f0813a96ba78b542cda0e6ca43722&width=640&height=360" width="640" height="360" scrolling="no" allowfullscreen frameborder="0"></iframe>
```

Step 4
Open Blackboard and
go to your course.

Step 5
Turn edit mode on.
Then select "Content"

The screenshot displays the Blackboard course management interface. On the left sidebar, the 'Content' option is highlighted with a red arrow. In the top right corner, the 'Edit Mode is: ON' toggle is also highlighted with a red arrow. The main content area shows a video titled 'My video link from 3media' with a play button overlay. Below the video, there is a section titled 'Shuttle' with the text 'Something'.

Step 6
Select "Build Content" then "Web link".
Please note that there are many choices in Blackboard to share a video link depending on your course design. We will be demonstrating sharing link on a "Web Link".

Step 7

Enter name for your video.

Then paste your video link in the "URL" field and click "Submit".

Create Web Link

A Web Link is a shortcut to a Web resource. Add a Web Link to a Content Area to provide a quick access point to relevant materials. [More Help](#)

Cancel Submit

WEB LINK INFORMATION

* Name

* URL
For example, <http://www.myschool.edu/>

DESCRIPTION

Text

Paragraph Arial 3 (12pt)

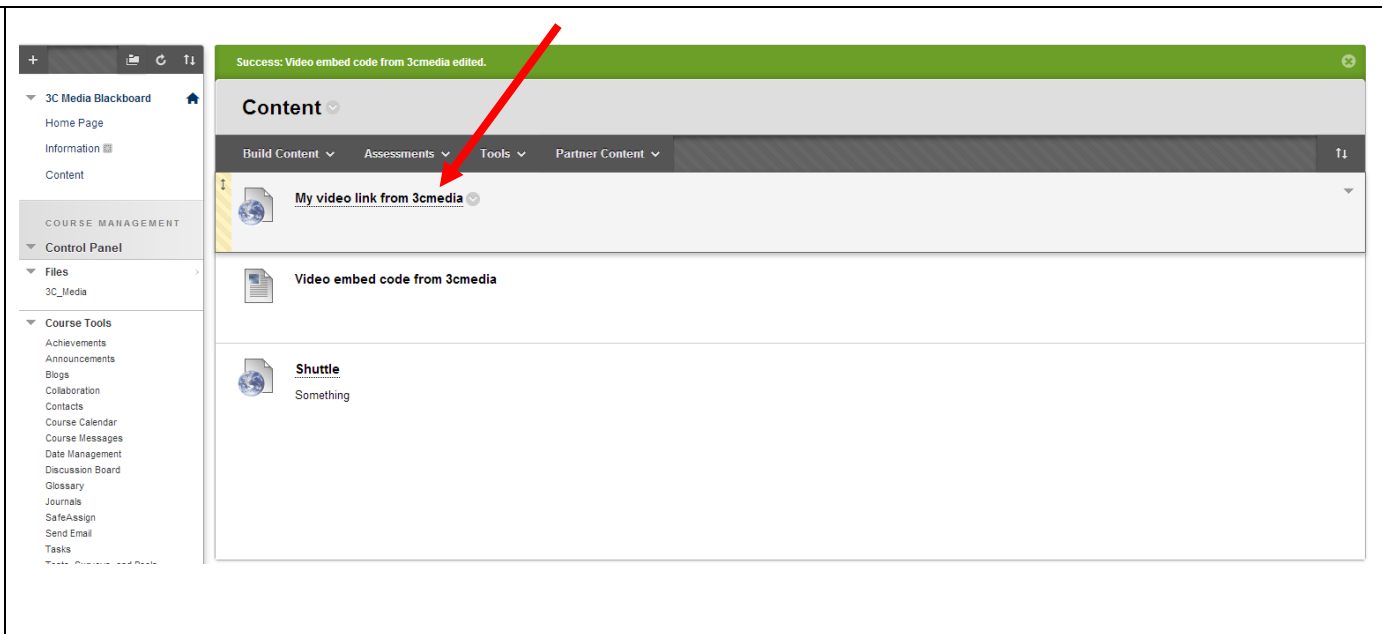

Rich text editor toolbar with icons for bold, italic, underline, strikethrough, text color, background color, bulleted list, numbered list, indent, outdent, link, unlink, insert link, insert image, insert video, insert audio, insert table, insert table of contents, insert page number, insert page break, insert comment, insert code, insert HTML, insert CSS, undo, redo, print, help, and refresh.

Path: p Words: 0

Step 8

Click on your link and you will be able to watch your video in a separate tab or window.

The screenshot shows the Blackboard interface. At the top, a green notification bar reads "Success: Video embed code from 3cmedia edited." Below this is the "Content" tool header with navigation tabs for "Build Content", "Assessments", "Tools", and "Partner Content". A red arrow points to a link titled "My video link from 3cmedia" in the content list. Below the link is a document icon and the text "Video embed code from 3cmedia". Further down, there is a section titled "Shuttle" with a globe icon and the text "Something". On the left side, the "COURSE MANAGEMENT" sidebar is visible, containing sections for "Control Panel", "Files" (with "3C_Media" listed), and "Course Tools" (with various options like "Announcements", "Blogs", etc.).
